Device Requirements and Purchasing

Device Requirements

iPad		
If purchasing a new iPad Latest model - 128GB or 256GB *-We recommend having at least 24GB available space for school-related files. Consider how much personal storage you will need on the device when deciding on storage capacity* *-Wi-Fi iPad required (no cellular / no SIM card functionality)* **Indicative price from Queensland Computers A16 (11inch) 128GB $581/256GB $773 as at 26/09/2025*	**If using an existing iPad** Please ensure your iPad can run iPadOS 18 	☐
Keyboard- (Mandatory) Keyboard **must** be brought to school. Options: Attached in a case, wired, or Bluetooth		☐
Apple Pencil, Logitech Crayon or Stylus- (Optional)		☐
Protective case and screen protector- (Mandatory) - A protective, robust case - Tempered glass front screen cover		☐
Carry Bag - A bag or additional sleeve with waterproof section is recommended.		☐
Headphones- (Mandatory) iPad compatible headphones. *-Headphones are a requirement for all students at Narangba State School.* *-Although students have headphones from Prep and Year 1, please ensure the headphones are suitable for the iPad you have purchased. Please note which iPad model you have as it will depend on what headphones you need. E.g. Air, Pro, 10th Gen and later models do not have a headphone jack (Bluetooth or lightening to headphone jack adaptor is required).*		☐

Purchasing

You can purchase iPads and accessories from any retailer. Finance options are also available if you are purchasing at an Apple Store, online, or from any major retailer.

We have organised a Parent Portal with Queensland Computers. They are an approved iPad supplier of the Department of Education. See link below for iPad prices. The password is Forlifewelearn2025
