

Out of Catchment 2022 Expression of Interest

Thank you for indicating your interest to be part of our school community. Our school has an enrolment management plan to ensure we cater for the needs of families who reside in our catchment area. Expressions of interest for families outside of our catchment will be accepted and placed on our waiting list. Depending on the number of enrolments for next year, during the first week of September the year before your child is due to start school out of catchment offers may be made to these families.

Student Information

Surname: First Name:

Date of Birth: Year Level: Gender: M / F

Please provide details below to indicate the reason you wish your application for enrolment to be considered. Supporting documentation can also be attached to this expression of interest.

Does your child participate in any extra school activities?

Does your child receive additional school support?
